# eco

environmental concern  
and a pro-ecological  
attitude are paramount  
values of the brand

## pro-ecology campaigns

### we plant trees

for every package of Barlinek flooring sold, we plant 1 tree; Barlinek Customers Forest is growing and today includes more than **18,000,000 trees**

### we save peregrine falcons

thanks to the activity undertaken over the past few years it has been possible to return as many as **100** of these beautiful birds to the forests

### we protect "Bartek" the oak

we also allocate funds to carry out the necessary renovation work to save the ancient Bartek Oak - Poland's most famous nature monument and one of the oldest trees (over 700 years old)

## responsible production

- ✓ **Next Step = zero waste**  
all waste generated in the production process is reused through internal recycling
- ✓ **100% of required heat energy**  
and **60%** of electricity at the Barlinek factory is covered by our own production
- ✓ **greenhouse gas emissions**  
reduced by over 70%
- ✓ **dust emissions limited to almost zero**  
our filters remove **99%** of dust
- ✓ **100% precise and thorough**  
segregation of all waste
- ✓ **we use 100% of the wood;**  
we digitize the most beautiful boards for the **Next Step** collection
